“ *Wake me up when this is over. You are my love, my world and my life. There are no words I can even write to express the void you have left not only with me but with your family and dear friends, it will never be the same nor will it ever make sense. Please know I love you so much and life will never be the same. I am not sure how to even wake up without you there after all these years, but know, I am so proud of you and your fervent desire to persevere despite all you were up against. You are my warrior and I will continue to always love you and look forward to the day we meet again my love, my life, my everything*

“ I Knew Mike for over 40 years From childhood and we were great friends. We shared a lot of enjoyable moments from boys scouts where his father was our scoutmaster through high school and college where we used to frequent going to concerts, vacations, trips to the jersey shore, and get togethers at his cousins house, and Pete and Karens. He was the type of person that would not get angry often. He was very level headed and sympathetic to all. I often looked to him for advice; unfortunately, we lost touch the last many years and I regret that. I pray and wish him a happy and safe journey to the promised land as we will all miss him terribly.

Mike was just an inherently good guy. Please accept my sincerest condolences. I have made a donation to Sloan Kettering- not sure if it correctly linked to his name.

We are so sad he is gone, but he is in peace. We miss him already. But he has good company in heaven. So remember the good things because that's what we got. And those times are good. Love.

“ Mike, you will surely be missed by all who truly knew you. Our holidays will be one less but memories will be shared as we raise a cold one for Mike. He entered our lives 2 decades ago and he was family. Carolyn was lucky to have met him and he , her. They've been through alot of ups and downs but when it came to it they were inseparable. He spent alot of time at Carolyn s house so of course her mom Carol was close too and was there for him. He was loved.

“ My family was lucky to have Mike around as a part of our family for almost 20 years. My sons were so good with him and loved being all over him. ❤️ My cousin introduced mike when I was in high-school and he was a part of our family for half of my life. So many memories and so much love between him and my cousin Carolyn Dixon. He will be truly missed and we are all truly sad he is gone. He was calm, patient loving and always had a good laugh around us. I wish you in a better, calmer and peaceful place. The boys will always know who their “uncle mike” was. Having him in my life was truly a blessing. As well as his forever love, support and crazy Carolyn Dixon ❤️❤️

“My thoughts and prayers are with Mike's family and his FOREVER girlfriend Carolyn. I was so happy when Carolyn met Mike because I knew she had found her PERFECT MATCH....someone who could put up with her, and I am sure he LOVED every minute of it. They were always so FUN to be around, they always made each other laugh!! I am so GRATEFUL that Mike had Carolyn to take care of him these past few years. Together, they overcame many obstacles and were always able to ENJOY life and each other! My heart aches, but I can smile knowing that Mike's MEMORY will LIVE ON in the many stories that Carolyn and others will tell. R.I.P. Mike

“ *My heartfelt condolences to the family and friends of Mike . I will always remember him for his intelligence, kindness and remarkable wit. I last saw him at a concert at the prudential center . I was so happy to run into him . I am shocked and saddened to hear about his passing. He was a great guy. He always had an uncanny ability to bring a lot of laughter wherever he went.

“ I was so sorry to hear of Mike's passing. Nearly 20 years ago Carolyn introduced him to the family. He fit right in. His kindness and playfulness was displayed at every gathering and he with Carolyn was like my Laurel and Hardy. He showed her then that life was precious and not to take everything so seriously.

They made a great team and she was his coach after he was diagnosed. Her attention to details in his care gave us the opportunity to have him around longer than even he thought possible.

He never let anyone know when it was a bad day. He shared his days with us even when he was not feeling social and for that we will always be thankful. I thank his partner for his care and loving him regardless of circumstances.

He loved life, sharing knowledge, people and food. There were so many aspects to this young man that I feel like I didn't have enough time to explore them all. He never treated my handicapped daughter "special" and she had loved and cared about his well being until he passed. He's in heaven now she says and will come and visit us when we get lonely.

Say a prayer and talk to him each day and if Tracy is right he may very well come and visit you

May he now have peace with no pain and know he will be missed by all whose lives he touched

“ I just want to say, that although it might have only been a handful of times that I was blessed to be in Michael’s presence; that he had a superlative light and energy about him. He was charismatic and intelligent with a great sense of humor. The one thing that touched my heart the most, was the beautiful relationship he had with his family; be it his parents, his sister, and two brothers- especially my boyfriend Ryan who was irrevocably devoted to aiding his brother. Ryan looked up to his brother and held him in such high regard. I loved seeing how close they all were, and how incredibly dedicated his parents were as well for caring for him. I’m blessed beyond words to even have this connection to the Guerin family. Rest In Peace and power Michael; and God bless your heavenly spirit.

“ Michael will certainly be missed. My niece Carolyn Dixon introduced Mike to us nearly 20 years ago and he had become a welcome and permanent member of the family. Mike will be leaving such a void during the holidays and summer barbecues. I’m glad I was able to see him at the last Labor Day family gathering. I’ll always remember him as a kind, gentle and respectful man. Rest In Peace.

“ Mike was one of a kind. A very special friend to me and my husband. So many memories which we will always hold close to our heart. Praying so hard for his family and my friend Carolyn who was Mike's companion for 18 years. Her dedication and devotion to Mike was unmatched. Her love for Mike was unwavering. Their relationship was one I admired. Thank you Carolyn for all you did for Mike. You are an inspiration to all of us. Just know that Mike loved you so much.
