“ *There is a road, no simple highway; Between the dawn and the dark of night; And if you go no one may follow; That path is for your steps alone.*

You were always so calm and zen like when you listened to that song, it took over you, you'd transform when you heard it, we would dance so slow, you'd say shhhh, actually you'd say aspetta, only you pronounced it ashpet .. lol .. but it was like time stood still. I'd give anything for one more dance.

I know you are chilling with Jerry today, nothing left to do but smile, smile, smile !!

Happy Birthday my crazy dear friend, miss you always, love you forever!

“ you were such an amazing person. who loved with everything you had. I remember taking you to the doctors office with a broken leg and having to help you in and out of the car, and into the building. you sat down and looked at me and said let’s go sky diving after this, screw these crutches and laughed. which then made you wince because your collarbone was also messed up. but I remember that laugh as if it was yesterday. you never forgot to text me and tell me I needed an umbrella cause it was going to rain that day, or to stay home because it was going to snow. forever my BFF. & forever your Lindsey.

“ I am truly heartbroken .. You were a friend and a protector since I am twelve years old and you were soooo much more. You could make me laugh out loud and you could make me cry, you could also make me so angry sometimes, but even when you made me cry or made me angry, it didn't take you long to make me smile again, you flashed that smile which made those eyes of yours sparkle or said something so crazy and off the wall that I was laughing out loud again .. We had many wonderful times together and I will treasure those times forever, they will always hold a special place in my heart.

I loved that you were such a proud Dad and Grandfather, when you talked about your children or your granddaughter, your whole face would lit up, it was so nice to see such pride .. My deepest condolences to them and your entire family.

I truly loved you and you knew it, yes you did .. friends forever, no matter what.

Rest in peace Mittenzwei, YOUUUU !! yippy, yappy, yahoooooey Canizio

In a bittersweet moment, another angel has found their wings and has set off on flight safe into the arms of God and to those gone before them waiting and anticipating their arrival as they make their way to heaven.
