“ *rip bro I still think about all the times we did fire dope together. You always knew where the fire bags were on the island. Sucks. Ever since you left, been harder to find fire dope. I'll bring a bag with me to heaven for you 😞*

“ *Michael will be truly missed. Our family has shared many wonderful times & have created many memories with him. He & Jessica had become the light in each other's eyes for some time now, to move on will be a slow process. He was so young to have left us, but our faith has us believe we go to a better place & now is the time to believe it. It will be rough to carry on, time doesn't heal, but it helps. Our thoughts & prayers are with you. The Schwartz Family*
