“ My dear Michael...I will miss him so much. He was more than a cousin to me...he was like my brother. He was always so concerned about my late husband, his cousin, Herb. He loved him so much. When he spent two weeks with us 2 years ago it was so great. His most important thing was getting his Dunkin Donuts coffee. I can't tell you how many times he got lost driving in Florida looking for one. We had one right around the corner, but I would get a phone call from him miles away, "hey Gen, I can't find it." He stood by me when Herb passed and helped me get through those days. My love and sympathy go to his family. John and Lisa, stand by your mom, she will need you right now.  
Love, Cousin Gen
