“ *I didn't know him but my daughter was so sad to hear of his passing. She attends the school he worked in and she said he was so much fun. He always joked with the kids and they loved that! Sounds like a fun guy! Praying for his family and friends. Memory eternal!*

“ *Although I haven't known Mike for a long time, I could see he was a kind loving person with a huge heart. He was quiet but always went along with anything we asked of him. Mike especially enjoyed serving the children, he was getting to know them kidding with them making them laugh. I will miss him, may he rest in peace.*
