“ Michael and I worked together at ICBC Financial Services and it was my pleasure to get to know "Scotti" on a professional level as well as a personal level. He was always in a good mood and always with a smile. His sense of humor was infectious and he often made everyone laugh. He often spoke of his involvement with the KOC and how much he enjoyed spending time with his family. He was the epitome of a great father. He always squeezed in his kids in any conversation we had, you can tell he loved his family more than anything. It was my honor to know Scotti and call him my friend.

Rest easy my friend.
