“Mike you were a great friend and brother and my of course my daughters GodFather. I will surely miss you and the memories of a great childhood, teen and college years! The years of multiple trips to Gettysburg battlefields to the growing up parties at Great Kills and Wolf Pond parks, (where comedy always ruled) have never left me! Delivering newspapers as early teens on yours and Toms routes and listening to 70s music at the Pizzeria especially “Goodbye Yellow Brick Road” which we played hundreds of times, will always remain in my heart! I never forgot the memories of the music of the Grateful Dead, Leonard Skynyrd, the Allman Brothers and Pearl Jam, as joint discovery of those bands, songs and concerts was always with you and Tom! I remember those great Blue Grass festivals we went to in Pennsylvania and I always remember the one camping festival as the greatest time we had in college. The Friday night Irish rebel music and Sunday football games at Joyce’s Tavern will always be in my heart! As well as the St Patty’s Day parades and riding the SIRT and Ferry into the city, with cans of beer in paper bags! ! You were the best my friend and I will always raise a toast to you and Tom and your family! Love you brother and “May God hold you in the palm of his hands” until we meet again”.

You are always in our prayers...

Love
