“ *Michael. What can I say? If you knew him, you know that he was: stoic, protective, and incredibly loving. His heart was so big. He felt intensely. Often misunderstood, but not by those who loved him. A lifelong friend I considered him a brother. Regardless the time apart, we would pick up where left off. Thanks for the memories, Mike. I will miss you. I will talk to you. Send signs...I'll be looking. Love you.*
