“ Your beautiful wife has finally come to be with you. She will be missed. A truly wonderful, loved woman. I'll miss her every day as I miss you every day. I'm so glad you both are finally together, but I would give anything to have you both here one more day.

“ Pop, its been a little over 2 yrs and 5 months since you had to leave us. Not a day goes by that i wish i could sit with you and have one more day, one more talk with you. A part of my soul was taken from me that day.
I miss you every single minute of every single day, and in these dark times, I wish you were here to bestowe your wisdom and show me some light.

A great man left us on 5//2015, a man who meant the world to myself and my family and a true "Class Act."

I'll see you soon Pop!
