“ Dear marie, Michele's sister-in-law, today, August 3, I went into country donuts to buy the best bagels around. I asked for you and they told me you retired. Good for you. I then asked for Denis and Michele and was told Michele passed away after a brief illness . I was shocked and my heart goes out to you and your family. Write me back Marie. "I can't...the goings on". “ We are so shocked and so very sad to learn about Michele's passing. Michele was always so warm, genuine, and just plain nice. We always wound up talking for a long time when we met around the neighborhood. Last time we met on our street, we traded stories about the joys of being a grandma. There was nothing more important to her than her family - this was always the first topic of conversation. Michele adored being a wife, mother and grandmother and she gave her heart and soul to caring for everyone.
Cherish all the many beautiful memories - nothing can ever take that away.

“ My dearest friend Michele. In such a short time you have touched so many lives. You have especially touched mine. Its a once in a lifetime when you step into someone's life and stay as long as you did. We have laughed together and cried together but guess what... today you weren't there to cry with me. All know is God must have some pretty important plans for you up in heaven to take you away from everyone who loved you so much at such an early age.i just want you to know what a special person you were to me and how much I adored our friendship.
Until we meet again my friend I love you.
Always and forever in my heart
