“ We met Michele and Al when Matthew and Lauren were dating. At the beginning, anyone could see that the entire family truly enjoyed being together. Michele loved being with her girls and grand children. Soon we were included in many Hansen family celebrations . Michele made sure we received many videos of our grandchildren. We were so happy to experience these special moments. When Lauren had Jack , Michele called me to come to the room to hold our grandson . She wanted me to share this joyous event.

Michele was a people person. She always welcomed people and made them feel comfortable . She took time to sit and talk with my elderly mother (GiGi).

Love Ya always Michele . We miss you
