“ *I remember the first time I met you; like it was yesterday. I was 18 years old and you were of course doing some craft at the dining room table. I know over the past couple of years life has changed for the both of us in different ways and even though we didn't spend as much time together as we would've liked to I always knew we had a solid relationship and the love was always there. You will be truly missed by all of us. I will always remember our Wednesday nights going to Carvel for Bogo Ice cream sundaes and our Saturday afternoon coffee clotching. Give my Mom a big hug for me. Hugs and Kisses from the kids.
Love you, Dawnmarie xoxo*
