“ *So sorry for your family's loss. My husband and I met Mimi at Mt. Loretto. She was the secretary for the social workers and the listener to all of us. She came to my wedding in 1971 and then I followed her to south beach. I knew her for over 50 years and it was always a delight to see her. We will never forget her exuberant personality and the love she had for her family.*

“ *Worked with Mimi for many years- her laugh, her energy, her snazzy style were epic and inspirational. She was an icon at South Beach PC and will be sorely missed. May she Rest In Peace.*
