“ *Hey mama, just wanted to say i miss you a lot. In 2 months itll be one year since you left me. One year and i still feel pain like its day one. Im still confused and dont understand why it happened when and how it did. There isnt one thing i wouldnt do to get you back. There isnt anything i wouldnt give up to see that beautiful smile and laugh or be in your embrace one more time. I keep wondering how things would be so different if you were still here. Everything in my life would be so organized and there would be a lot less stuff on my mind all the time. I wish i could atleast still talk to you, hear about your day, hear about how it is up there, ask how you like it and hear about everyone up there. Id ask you for advice too because god knows i need your guiding around this time. I love you so much mama, i miss you just as much. I hope your having an amazing time in paradise with dennis anthony and everyone. Rest up mama, sleep peacefully beautiful, you deserve it after everything youve done in life. I love you ❤️❤️💋💋💋*

“ I miss you a lot mommy. Months later it still doesnt feel real its likw im stuck in this dream and cant wake up. That dream is reality. There isnt one thing i wouldnt do to see you again. I hope you dancing in the sky and having an amazing time with all our passed family members. I dont know why god took you and i dont agree with it but at the end of the day i cant change it even if i wish i can. I miss you so much, i know for a fact when heaven gained you as one of its angels, it became a better and even brighter place. You used to say how heaven was paradise and how each person chooses how theirs is. Im pretty sure your in either Puerto Rico or the Bahamas on a nice beach with grandma, Nana, Dennis Anthony and Titi Mirna, Enjoy paradise mami, when its my time to join you, ill enjoy it with you. Te amo Mami, sleep in peace my forever beautiful angel and queen. ~Crystal-Irene

“ *We all have a tendency to take each other for granted but in a second it all changes and we regret not to have made time or to have said how much we appreciate the other person.
You were a great neighbor and friend!
It was always a pleasure to see you and Dennis together, a couple with so much love and respect for each other.
For us it wasn't time for you to go, but God had His plan!
Now you are an Angel and I ask you please to always pray for us.
Give comfort and strength to your family to bear the pain!
I will miss your smiley face!
R.I.P. with Jesus.
