Nicholas J. Alfonso

April 14, 1924 - April 13, 2020

Nicholas J. Alfonso passed away on April 13, 2020, just one day shy of his 96th birthday, at Clove Lake Health Care and Rehab. Center.

He was born and raised in Brooklyn and in the 90's settled in Staten Island. He was a lovely man who proudly and honorably served his Country in the U.S. Navy during WWII as a Navy Medic. After his service in the armed forces, he was a dedicated NYC bus driver until retirement.

His car was his prize possession. He was a "clean car enthusiast" and at times fanatical.

He loved baseball, and was a DIE HARD "NY YANKEES" fan, never missing a game. He was such a great fan that he wore Yankees shirts, jackets and hats and would NEVER TAKE THEM OFF even during dinners and Holidays.

Nicholas was a religious man who never missed Mass on Sundays until he was unable to go anymore and he would then watch it religiously on TV daily.

He was a loving father to his daughter Doreen, devoted grandfather to

Stephanie and her husband Tom and Jessica and her husband Mike. Nicholas is also survived by his five cherished great grandchildren.

He was a lifelong friend to Ella Stea and brother to the late Pat Alfonso.

Nicholas will be laid to rest at Forest Green Park Cemetery and a memorial will take place at a later date to celebrate his life.
