“ Nicky I was sad about hearing of your passing. But now I can sit and think about all the times we spent together as kids. No one spent more time together then me you. How we would ride our bikes from Coney Island all the way into the city. How we would ride our bikes to see your cousin's and listen to music. Nicky I can go on and on of all the 🤪 we did. I know you will be missed by all the people that knew you so to we meet again just keep singing away. I know your hanging out with some great friends right now. One more thing no picking on your brother. 🙏🙏🙏

“ Nicky my heart is so sad but I have wonderful memories of when we were kids how you would tease me so and we would laugh. We had so much fun sleeping over at Christmas time and trying not to laugh when we were supposed to go to sleep. I know we will see you again Nicky RIP Cousin💕

“ *My brother-in-law Nick, you will be missed by many. I remember the good all days back when we were younger. We used to go out swimming to the bell in Coney Island off 33rd St. A bunch of us made that swim-many times. It was all good times, we had a lot of fun out there. While we hung out their on the bell, boats would pass by and wondered “WHAT THE HELL ARE YOU GUYS DOING OUT HERE”. For those of you who did not know my brother-in-law for long . I must say he had a great voice. We used to sing and harmonize on the boardwalk, under the boardwalk, on the street corners of coney island. Those were the good all days when life was very simple. Nicky I say to you rest in peace my brother for we shall be together once again in the future to dream the impossible DREAM. I love and miss you. Your Brother-in-law VICTOR*
