“Nicky was my Dad, Sal Pedone's first cousin. Nicky's mom, Aunt Fran and my Dad's Mom Grandma Mary DeSantis were siblings. I always remember seeing my grandma's siblings, Aunt Fannie, Aunt Marion, Uncle Dominick. I am 60, I remember some earlier years but then as I turned 19 and had a family of my own, I do not recall other than keeping in touch with cousin Ann Marie. Ancestry brought me closer to the Grandma's side as I never met her as she passed in 1945. However, Grandpa always, ALWAYS talked about Grandma and when we would get together at 125 Beacon, which we lived on the first floor, grandpa in the front, Aunt Dottie middle floor and Aunt Ann top floor they'd always share stories about her so, in a way, I felt like I knew her.

So, in 2017, I went to cousin Angelo's wake in Staten Island. I had to go as I new someone had to represent my parents who had passed away (mom 2009 and Dad 2016). However, we arrived near the end as I was waiting for Uncle Mike's granddaughter and daughter to pick me up. As soon as I got in I went right over to Nicky and his wife Martha. I remembered his face and knew who he was, and how he held my hand the entire time so happy to see me like he saw me my entire life. I spoke with cousin Fran this evening for about 35 minutes. I spoke with cousin Fran a few years ago when Mary passed away.in 2020. I couldn't make that wake as I lost my 36 yr old daughter Stephanie in 2019 after a lengthy illness. Ann Marie always represented the Curci/DeSantis side and came to all of the wakes in Jersey. I, like Ann Marie, try my best to make the wakes on behalf of the Pedone side. I do not always get there due to health issues but my heart is always with everyone through the losses. I hope I get the genes and strength to live a long, fruitful life like that of many of our family members.

RIP cousin Nicky. We were always trying to plan to get together to hear more about Grandma and the family and look at pictures and i mean on both Grandma's (The DeSantis side) and The Pedone

side. However, illness, deaths and COVID got in the way and here we are losing another member of the family. I am so sorry we never got to gather. I spoke with Fran for a half hour last night and she MISSES you so much already. I know Nicky is the third sibling in five years and then a niece was lost so she truly loved you. I made sure everyone knew and I will Uncle Butch later today, who like Fran, is my Dad's only living sibling. I spoke with Carmine, Uncle Nicky's son earlier and he remembered Nicky and his Dad playing cards in the yard.

Martha, I am so sorry for your loss. I know it will not be easy. 58 years a long time. In looking at this picture of Nicky, I never truly realized how much my Dad and Uncle Nicky resembled Grandma's side of the family as they got older, especially. A handsome bunch for sure. Martha, I always remembered how beautiful you were and in 2017, I thought the same thing.

Love to everyone and prayers . I am planning on being there at 2 pm Sunday and hope to be able to see most of the family, especially Fran if she is able to be there.

*With the sincerest of love
