“ *I would like to extend my deepest condolences the the family and loved ones of Norma. I have had the pleasure of getting to know and love Norma for over eleven years. What an amazing woman she was. She had a kind and loving heart. She accepted people as they were and saw the good in them. I am saddened by her loss but I know she is at peace with her maker for eternity. Rest in peace Norma and know that you have touched many peoples lives, including mine. You will be missed.*
