“ *To the family*

"Patty Boy", oh how I remember him well even though I was 7 when my family moved from 347 St. Marks to Carlton Ave around in 1954 after we had a fire. My name is Barbara and my sister is Jackie. We used to play with Irene and several others on the block. When the feast would come Patty Boy helped my sister and I set up a penny toss. Boy did we collect a lot of pennies which we used to buy penny candy in the store that his mother and father owned. My grandparents were Alexander and Maude Patterson.

To the family, my deepest condolences. May God continue to guide you through your sorrow.

“ To the family:

Pasquale “Patty Boy” Brooklyn lost a good man, I grew up on Washington ave, he was my landlord, boss, and friend. He kinda looked out for those in the community, his sharp wit always made you laugh. When I heard today of his passing it really touched me. He helped to teach me the value of hard work, he will be missed, but I will remember him. To the family that is left behind I say remember the good things he did for everyone.
