“ Pappy DiPrima , wow what can I say, I'm devastated, and my heart is breaking like everyone else that knew Patrick. I always lit up when I saw him at a gathering or spoke with him on the phone! He was a special person to us. We truly loved Patrick. This guy always went out of his way to come over to us wherever he met up with us and always full of compliments, and great conversations. He definitely will be missed, especially by me Patrick, u always went out of ur way for me, even when we spoke on the phone what fun! God Bless you Patrick, now u r in a better place with Mom and Joey. We luv u from the bottom of our hearts and sole. With a broken heart,
Dee and Larry

Patty, you were one of a kind, A dying breed of men whose loyalty and honesty were second to none. You were an amazing friend. I, unfortunately, didn't know as long as others did but you made an impact nonetheless. No one made me laugh as hard as you did. Rest in peace Patty.
