“ *Pat was a fun loving and gentle person and one our family will miss forever. He was the most generous and caring person who would always be there for anyone who needed him. He never failed to deliver. We have fond memories of holidays and vacations together, memories we will cherish. The past few years have taken a toll on his life and he suffered more than anyone should ever have to suffer. Now he is at peace an in a better place. We loved Pat and will always have a void in our lives without him.*
