“ I remember Mr. Moylan when I used to volunteer at Carmel Richmond Nursing Home. He was a very kind, loving and humble person. I used to visit and talk to him during my time at CRNH like I did with many other residents. Mr. Moylan I love you and miss you. Rest Peacefully. Joel, former Carmel Volunteer.

“ I only met Bernadette's Pop once, but once was enough to know how special he was. One of the many things B and I bonded over was a special bond we share with our fathers. It was always the first topic of discussion whenever we were able to catch-up :) I admire the way that B and her siblings cared for their Pop's. A love like that is priceless and it never dies, it's stays where it has always been safe within their hearts.
