“ *A word that comes to mind when I fondly remember Uncle Pat (my Godfather) is what a “character” he was. Always the life of the party where everyone knew his name. His story telling abilities (and memory for detail) about valuable life lessons from the good old days, his cronies and hysterical jokes made him unique.*

*He joins beloved family members predeceased before him and we find solace and are truly humbled knowing he will accompany them watching over us eternally.*

*Rest In Peace.*

*All our love,  
Bettyann and family*
