“ *I am so sad to hear of Paul's passing. I had worked with him for several years and he was a wonderful friend. He helped me in many ways in my career and with family. Paul was so much fun, always upbeat and just great to be around. He was also one of the most thoughtful and caring people, remembering birthdays and anniversaries, and truly sincere. I feel honored and blessed to have know him and will miss him dearly.*

“ So sad to hear about Paul's passing. My heart goes out to the family and friends. We were friends when we were in high school...We also both worked at the Hot Bagels store on Victory Blvd. One great memory I have is when Paul and I ambushed the Moore Catholic senior ski trip by taking his old, beat up, giant Ford LTD all the way up to Hunter Mountain on our own instead of traveling with the school...we ate fast food and slept in the car to save money lol...He was always smiling and had a kind heart. God Bless.
