“ Peter my dear brother. No brothers could have been closer you, Jeff and I. My heart is shattered. I keep asking why someone like you would be taken from us, you had plenty of more fun years to live. Your daughters loved you and my sons and their wives thought of you as another father. Rest in pecan, until we meet again forever.
Michael ❤️

“ We were best friends for 20 years. We knew everything about each other. We were each other's confidant. You made my life better and I am truly blessed just knowing you were in it. I will miss your laugh and our daily talks and chats. You have taken part of my heart with you. Dad, mom and your brother have welcomed you with open arms. May God place his hands upon you for eternal peace. My thoughts and prayers are with Kathleen and the girls. They are truly blessed to have such a wonderful father and lots of cherished memories. Much love always Selena
