

Peter Noto

January 26, 1941 - May 25, 2024

Peter Noto, an artist and creative director, passed away peacefully at his home on May 25, 2024, at the age of 83. Born January 26, 1941 in Brooklyn, New York. He is pre-deceased by his parents Jack and Katie Noto and his loving brother, Albert Noto.

Peter is survived by his beloved wife of 61 years Elaine (nee Cipriano), his devoted children Jeanne-Marie Atkins (Tim), Catherine Johnson (Rich), and Peter (Carmela). Peter was a cherished grandfather to Jack, Kyle, Evelyn, Domenick, William, Elaine, and Sophia.

His passion for art was evident from a young age as he pursued a degree in Art from NYCCC. However, it was his knack for directing that would lead him to a successful career in the Advertising Industry, where he was involved in creating ads for companies such as Garanimals, Gucci, Mateus, and Nicoderm.

His works garnered much respect, however, his career was cut short by cancer which he battled and overcame, demonstrating remarkable resilience and strength. In his later years, he was diagnosed with Parkinson's disease, a condition he faced with unwavering courage and dignity. Through his health struggles, Peter continued to create, finding solace and purpose in his family, writing, art, and photography.

Throughout his life Peter saw beauty where others did not. For many years he could be found at a family event family with camera in hand. He made many memories on his travels, near and far. His camera and wife Elaine were always by his side.

For seventeen years he and Elaine were snowbirds in Southwest Florida. It was there his passion for nature and painting blossomed. He toiled many hours over a canvas getting the perfect light on the latest subject in Country Creek. Additionally, he left a legacy for future generations having published his book, amemoir, in 2019.

Although he was prolific with his art, advice, and sense of humor, it was his quiet, kind presence that will be missed most. His spirit and artistic brilliance will live on in the hearts of those who had the privilege to know him..

A Funeral Mass will be held at 12:00 PM on Wednesday at Holy Child Church located at 4747 Amboy Road Staten Island, New York 10312. Interment will follow in Resurrection Cemetery, Staten Island, NY.

“ *Uncle Peter, what an honor and blessing to have been part of his life. I have many memories of him, but one that always stands out is a trip our families took to Canada together. As a 9y.o. girl, and the youngest of the group, I had been complaining that no one had any pictures of me. Uncle Peter, who was the family photographer, took it to heart. And when our families went on what was one of my favorite trips, he made sure to take many pictures of just me. I remember posing for him by the Falls, in a flower garden and throughout the rest of the trip. So that, sometime later, when our families sat to watch his always anticipated, slide show, I was smiling from ear to ear, as I was the most photographed of all the kids. I remember looking over at him, as he smiled watching my reaction. Always considerate of others and so selfless. Thank you, Uncle Peter, for a memory that has lasted a lifetime!*

“ Dear Elaine and Family, Losing Peter is a profound loss, there are no words to express our family's deepest sympathy and our prayers for God's love to give you strength in the days ahead.

My personal memories go as far back as I can remember to our wonderful childhood, family time... Albert and Peter, Connie and Rose Ann we were a happy foursome!

Special memories include family vacations in the Catskills, Endless weekends riding the waves at Coney Island, Meatball Sandwiches, Steeplechase and Love, Laughter, and Happiness always!

Peter took enormous pride in his family and his Memoirs tell it all. It will be our treasure always! His talents were many, beautiful paintings, photos capturing the moment, his wit, depth of character, and love of family told the story of the man he was!

Rest well Cousin Peter, God Bless, we will miss you but we will all meet again! Connie and Family

“ *There r so many memories of Uncle Peter but the one that stands out the most was his love for his family. He was truly a special man whose talent was incredible. His paintings were magical. He put his heart and soul in everything he did. I will always cherish his memoir that he published. It captured so many memories. As for his brilliant paintings I will always treasure the beautiful one of my grandparents Katie and Jack. I know he is with them and my dear father who will also be in our hearts forever*
Rest in peace Uncle Peter we love u forever. Keep making everyone laugh with your great sense of humor.
