

## Philip DePasquale

December 15, 1940 - January 19, 2026

Phil was a successful moving consultant whose career was unexpectedly interrupted by a major stroke. Through determination and extensive physical therapy, he relearned how to walk, and remarkably, how to read, write, and speak doing so alongside his two-year-old daughter at the same time. Even in the face of disability, Phil persevered with a constant smile and a joyous, unforgettable laugh.

He loved his family and was a great husband, father, and grandfather. Phil had a great heart and truly loved being with people reminiscing, sharing stories, and looking through photographs of cherished memories. He had a way about him that made everyone feel instantly comfortable and welcome, even upon first meeting. He was a lovable guy.

Phil enjoyed life's simple pleasures: cheering on the New York Yankees, following horse racing, watching television and movies, bowling, driving his Cadillacs, and indulging in Reese's and other sweet treats. He took great pride in his appearance, always dressing with class even when staying at home. Carefree by nature, he never let life's challenges weigh him down.

Later in life, Phil bravely battled Alzheimer's disease. Through everything he endured, he continued to push forward with grace, positivity, and an inspiring attitude a true example to all who knew him.

Phil is survived by his devoted wife, his three children, four grandchildren, and three great-grandchildren.

A Mass will be held on Thursday, January 22, 2026, at Our Lady Star of the Sea, 5371 Amboy Road Staten Island, NY 10312 at 11:00am, followed by burial at Woodbridge Memorial Gardens, US-1 North, Iselin, NJ 08830.
