“ *My fondest memory of Phyllis is the time we spent together with our daughters on mom and daughter's luncheon and wine tasting in NYC that our daughters arranged for us. It was such an amazing time. I am so grateful that your daughter, Diane, brought you to our house in the summer of 2020 where we spent time by the pool and on the deck just enjoying the beautiful day with conversations and drinks. We even went to the Buffalo Waterfront and enjoyed so many activities there. Miss you Phyllis.
