“ *Aside from my family.. "Mr Malafronte" watched me grow up ...from my first year in cub scouts to going through the ranks and becoming Eagle Scout. I could have never done it without his support and guidance.. Aside from my dad, there is no man that I respected more. He helped make me the man I am today. I look back at those times with such fondness and gratitude. Glad that Ray and his family were a big part of it. I will miss him but will never forget those oh so fond memories.

“ For over 50 years both of us have known and loved Ray. Rick and Ray hunted, fished and enjoyed being cub scout and boy scout leaders. Camping out with the scouts was one of their favorite things; the boys loved these two men and always looked up to them. Anita will always remember Ray walking into her workplace with his cowboy hat and boots just to say Hi after his morning walk. Our memories of Ray will last a lifetime and then some. Till we meet again dear "brother". May you rest in peace, love forever, Rick and Anita

“ I will always remember Mr Malafronte giving up his time to take us camping every month when I was young. He taught me a love of the outdoors that I carry today!

“ *When I see that smile all I think about is the day of my wedding when you walked me down the aisle. Right as the music started You looked at me seriously and said "Are you sure about this ?" and I replied yes. He then said "ok well then do I have time to go to the bathroom?".Always there for me,and my mom. I will truly miss you. One of the only men in my life. I know you are all together raising a glass and toasting us, with a big bowl of pasta.*

*All my Love Always,

*So sorry to hear of your loss.
I remember Ray from when my children were in the scouts. We all had a reunion many years ago and it was great to see Ray and the rest of the scout 'family'.*

May he rest in peace. My prayers go out to his family.

Ray, you will be sorely missed. It was always wonderful bumping into you on V Lane, stopping and chatting about which fish were running and asking about my parents. Even when you were driving you always stopped to say hello and I appreciated it very much. Your happy face and beautiful smile personified the kind man you were. I have a feeling you will find a beautiful surf with great fishing up there! Rest in peace Ray. Prayers for you, Barbara and your family. Love, Dot
