“ *Dear Cousin (RayRay), I'm so sorry to find this out, may you rest in peace. It's your cousin Donna, my Mom was Janet your Dad's sister. I remember the time you spent in California with Nanny and Poppop, we had so much fun, I wish I lived closer to have known all my cousins more. Praying for your family. My deepest sympathy to all the family.*

“ *Didn't spend much time with you Ray, saw you only a Leigh Ann and Lorenzo's house or at a family party. you would always kiss me hello and good-bye. You were funny and kind and I truly enjoyed spending time with you.*

Thanks for giving me your time and kindness. I will miss you.

“ *Condolences to the entire Perry Family.*

Ray you were always a good guy. I Remember you when I was growing up with your whole family, Mom Dad Charlie Mary Kenny Bam Joe Paul Pauline John. Riding in back of Page Printing Truck with door closed. It was hot but fun. Your family treated me like another family member and to this day I will never forget.

You will sorely be missed by your friends and most certainly your family.

May God Bless your soul and may he watch over your family. May he comfort your family in this difficult time.

*Rest Peaceful my friend
