A New York State decision that those who are vaccinated are no longer required to wear masks. However, our staff who have serviced over 350 covid funeral services safely will wear masks to protect those who have not been vaccinated or those who feel uncertain and our own families. We feel this is necessary because we have handled 8 covid deaths in the month of May and more as of this writing of June 21st. Due to the current pandemic circumstances please note: We ask that you please send bakery products, fruit baskets, and other personal items to the families home directly. Floral Arrangements can be purchased from our in-house floral designers by calling 718-948-2016 to place your order or to request a catalog of selections that can be emailed to you.
