“ *As I write this note to you Uncle Richie and look at your picture, all I can do is smile! You have brought so many of us smiles and laughter like no other! You will always be remembered for your wit and amazing personality. For me, I will always remember those stories you told me when I was young that when I was born you and Nanny went out to buy everything PINK! I still remember that pretty doll you bought me that was larger than life and of course larger than me when I was a little girl. You were and always will be part of my heart and I will always miss you! I know you will always watch over us and now you are with Nanny and Grandpa, at peace and without anymore pain. Keep smiling my dear uncle and know that you will be missed by all of us. Rest in peace Uncle Rich, I will always miss you and love you!*

“ *We all have so many great memories of you Uncle Rich. You always made all of us laugh and you always had a smile on your face. I will never forget what you did for me and my daughter, how you just stepped up to the plate unconditionally. We will all miss you, your laughter and your smile. Rest in peace and say hello to Nanny and Grandpa for me and keep them laughing!*

“ As I write these words with tears in my eyes and sadness in my heart, thinking of you brings me nothing but joy and laughter. Richard Bifone was a great man with a tremendous personality that forced you to smile by just being around him. Although my family and I will miss you in our lives, I take solace in knowing that heaven has acquired an Angel like no other. Be at peace Big Rich and suffer no longer. Love you always.

“ To my Uncle. I am sure by now you have the Angels rolling on the clouds from laughter. Don't break them up too much! This earth and the people you touched will sure miss you and the laughter and smiles you brought to people. I can't express enough thanks for all you have done for me and my Family. You are a great man. We will all miss you.

Love
John, Darlene and Family.
