“ *Rich and I worked together in the 62 and I recall when he met Sunny and her five kids and proposed marriage. He loved Sunny very much and bought a house together and raised a family. He once borrowed a 30 foot ladder to repair a roof leak. He and his kids returned the ladder covered in tar and the kids were equally covered in tar, but the roof stopped leaking.*

He worked steady mid nights so the kids would have a bed to sleep in while he was working. He and Sunny retired to Fla and Sunny wrote a book. It was a true story of the struggles of raising 5 teenagers in Brooklyn. I and many others admired Richie and Sunny. REST IN PEACE, SUNNY AND RICHIE, Joe Leonard
