*Never complained but just told it how it was.....
"How do you feel Rich?" He would hold up both his hands and say,
"With THESE!"
...I fell for it every time!
Can't remember a time without Brother Marino..quick with a one liner
and a great memory for anything mathematical, and always something
extra with his comments...will really miss those.
My heart goes out to Lorraine, Richie, Robert & Raymond and the
extended family.*
