“ *Rich was one of the nicest, kindest and most genuine people I've ever met. We worked together in the past and then whenever we ran into each other after that he always had something funny to say. He loved to tease me about liking the Patriots but it was never in a mean-spirited way. Rich was just a lovely man and I'm grateful I had the chance to know him. My heartfelt condolences go out to his family and loved ones.*

“ Francine, I am so sorry for the loss of Rich. When I was a young employee at Nomura, Rich was always patient with me in explaining the ins and outs of the "real" world of broker dealer operations and regulation. For such a dry subject, he was always kind and full of good humor. I will always remember him fondly, and I trust he is in a better place. Sincerely, James "Jimmy" Lovely
