A New York State decision that those who are vaccinated are no longer required to wear masks. However, our staff who have serviced over 350 covid funeral services safely will wear masks to protect those who have not been vaccinated or those who feel uncertain and our own families. We feel this is necessary because we have handled 8 covid deaths in the month of May and more as of this writing of June 21st. “ I will miss you so much Richie, we had so many great childhood memories in Flag Court and I will cherish every one of them. I am sorry me and your sister always made you be Toto when we played Wizard of Oz and I am sorry we cut up your stretch Armstrong to see what he was made of also for making you eat mustard sandwiches and making you ring the bells when we played ding dong ditch so we could get a head start. I remember those days like it was yesterday. There are so many fun memories I have of our childhood together and those precious memories will forever be etched in my mind & heart. You will always hold a special place in my heart and I pray that when God welcomes you with open arms he fills your spirit with peace and love. Rest in peace my dear friend you will certainly be missed by many who loved you. I love you.
