“ *My name John Rick was one of the first men to welcome me to the council I will always remember that . At one of our functions at the council they were raffling off prizes and one of those prize was a Aron judge jersey which he wanted to win for his grandson who was a big yankee fan. So low and behold I won the raffle and picked the A.Judge Jersey and gave it to Rick for his grandson he was so happy like he had just hit the lottery.I am going to miss him he was a big teddy bear a gentle giant in my eyes and he will be missed by me and so many others that he touched may he Rest In Peace and May god bless his family .*

“ *There will forever be a gaping emptiness at OUR table where once Rick sat and opined and rated the local eateries as only he could on a Tuesday night. But there was so much more he brought to that table, that group of old timers. So, Rick, best to Roy, Tom, Brenden, Kevin and all those wonderful brothers who predeceased us. See ya*

“ Rick- Your boys have been my friends for 28 years. We have gone through life together and watched each other grow up and raise families. I'm happy you were here to be a part of it. You were taken from us much too soon. I also can't believe you paid \$42 for that box of chocolate covered pretzels. God Bless & Rest In Peace.
