“ One week without you and it feels even longer....Anthony graduated from high school and I know you'd be so proud of him. We all had you there with us in some way. My kiddies finished prek and I wish I could show you all the pictures and videos. We all miss you so much Ma.

“ My beautiful grandma was just a few days before her 90th birthday.  
□ Words can not begin to explain how special and important my grandma was to me and how much I will miss her everyday.

Ma, I know you're in a better and more peaceful place, free off all the suffering. How lucky and blessed am I to be your granddaughter. I love you forever and always. Please give Poppop the biggest hug for me □ 🕊 □
