“ *I have just heard of the passing of Bobby.
He was my brother in law many years ago.
I had spoken with him last year.
It saddens me to learn of his death.
May his memories give peace to Artie, his children and friends.

“ *In contact on phone during the pandemic, we missed our regular visits to Bobby from our home in Long Island. Since our BayRidge days, we've been coming to Bobby over 30 years for the friendship and excellent styling. Always a smile and we exchanged garden info and my fresh herbs and soups. Life major moments were always shared with a smile. Grandpa!! We last spoke when I called him on August 2 and he answered and said he was in hospital. No one there at that time for me to speak to for info, it was a brief call. Sadly we did not know of his passing until today. Our sincere condolences to his extended family. He will be missed.
May his memory be a blessing to you always.

“ *I am very sad to hear of the passing of My Dear Friend and Hairdresser Bobby!! I've been a customer of his for over 20 years! My dear friend Barbara introduced me to him and I'm forever grateful. I loved my visits with him and the conversations we'd have while getting my hair done. He always gave me a haircut with a joke and a smile, and that's how I will remember him. My last haircut with him was sometime in May at his house because the shop was closed during the pandemic. I was grateful to him for doing that as I was starting to cut my own hair. LOL*

My deepest condolences go out to Robert, John, Artie and Sally. He will be missed by all who had the pleasure of knowing him.

Rest easy my friend!

“ *Dear Robert, John and Arthur,
Although I think we only met once when I had
a family reunion at The Brownstone in NJ, I
remember your dad fondly. I am so sorry to
hear of his passing. I remember him being a
happy, funny man who had the amazing ability to make everyone
laugh and feel comfortable. My mom and your grandfather were
best fiends growing up. She use to tell me great stories about the
family. Please accept my deepest condolences.*

My your memories give you peace and comfort at this time,

“ My deepest condolences to his whole family. I knew Bobbie for almost 50 years he will deeply be missed. I showed Bobbie about two weeks ago when you cut my hair for the last time he’s been doing it for almost 50 years. When I was sick in the hospital Bobbie went out of his way to come see me and cut my hair for me it was great to see him help me get better soon. My deepest deepest condolences but really miss him I’m sorry I can’t be there. Peter DeCiuceis.
