

Robert Rocco DiDonato, Jr.

October 23, 1938 - November 27, 2020

Robert Rocco DiDonato Jr, age 82, of Eltingville, passed away peacefully Friday evening, November 27, 2020 at Staten Island University Hospital North.

Robert (also known as Bob, Bobby and Rich) was born on October 23rd, 1938. He married his friend and love Estelle DiDonato, on October 16th, 1958 who preceded him in death in 2007. He was a native Staten Islander who graduated from Port Richmond High School.

He loved to work and lived to love. He was an entrepreneur at an early age. He had a very successful newspaper route as a boy and was loved by all, his charming personality made him the recipient of many large tips. His love of cars and entrepreneurial spirit led him to be the founder of Richmond Auto Body, a successful business he started in 1961. He was hardworking and dedicated to his craft and all the people he worked with. He was an icon in the city of Newark and never let anything get in his way.

A longtime Yankee and wrestling fan, Bob was also an amazing baker who loved feeding others. His pecan tassies, crumb cakes and Linzer tortes were family holiday favorites. He always made it a point to have almond crescents on hand when his grandson Joseph was visiting. He loved baking for everyone but especially for him.

He loved his house and knew how to make it a home. He had a knack for gardening and grew enough tomatoes and Italian peppers to feed the neighborhood. His fig trees were also a source of great joy. He had a soft spot for all the dogs in his life and enjoyed bowling as a pastime. Most importantly, he was a wonderful husband, father; grandfather, brother, uncle and friend. He was full of happiness and life and could put a smile on anyone's face. His family was his pride and joy, and he was always there with a bright smile or a well-timed sarcastic comment. He was someone you could always count on. He was a source of great strength for his daughters and helped them weather the toughest of storms. Robert touched many lives; he will be greatly missed by all who knew him, especially his family.

He is survived by his daughters, Diane Silvestro and Donna DiDonato, son in law Joseph Silvestro, and Gregory Kliot who predeceased him and the apple of his eye - his grandson Joseph Silvestro

“ *Uncle Bobby has always been a big part of my life. From the time I was little I always look forward to his visits. He had a way of making you feel special and loved. The love he had for family was absolute. As an adult I truly appreciated his sarcastic sense of humor. He could find humor in anything and could always make me laugh. He had a way of making occasions so special, and we will all miss his presence at the holiday table.*

We shared a passion for baking and love sharing recipes. I will think of him every time I make his Linzer tarts and sesame cookies.

He will always hold a special place in my heart. Rest in peace uncle Bobby.

I Love you

“ There really is no one that can compare to Uncle Bobby - He set the bar high with his humor, quick wit, and kind soul. Family was always the most important thing to him and being there for the people he loved. Ill always remember the banter between him, Grandma, & Aunt Mary and how none of them ever retold a story from the same perspective. Uncle Bobby's always had a funny flair to it! I can just here him say " Oh c'mon sis don't lie." We will miss him terribly and there will be a paella sized hole missing from the family.

Love Always,

“ Uncle Bobby was one of a kind. I am fortunate to have so many wonderful memories of him that I will treasure always. As kids, we always looked forward to visiting Uncle Bobby and Aunt Estelle's. We always loved going there, but their 4th of July barbecues were legendary. From the rotisserie roasts and biscuit tortoni, to the pool games and fireworks, it was always amazing. Family was everything to him, and he showed it in everything he did. What I will miss the most are the conversations we would have. Whether it was on the phone or at a party, I loved talking to him. He always made me LAUGH, he always made me feel LOVED and he always made me feel SPECIAL. I will miss him every day.

Rest In Peace Uncle Bobby

“ The world truly lost a great man when Uncle Bobby passed. A man who exemplified the word "family", Uncle Bobby was one of those figures that family members young and old wanted to be around. Let's face it, Uncle Bobby had impeccable taste in cars, and even better (if that's possible), taste in baked goods. In our family, that's the total package! Growing up it was always exciting when Uncle Bobby came to family gatherings. First off, as kids we couldn't wait to see what kind of car he was driving. If that wasn't enough of a treat, once he arrived, one of the first things we'd ask was "what'd you bake Uncle Bobby?", which really meant "did you make the tassies?". However, all of that was secondary to what he really brought to the party, himself. Whether it was chatting about sports, cars, work, it didn't really matter, because with his quick wit, you were sure to be entertained.

Uncle Bobby you are truly missed. Rest in Peace.

“ I don't know what the world will miss most about Uncle Bobby. He was a kind, funny, and generous man who would always make you feel welcome. I know I will certainly miss his jokes and his baking. Oddly enough his jokes and his cookies were a lot alike, always plentiful, sometimes nutty, yet... never dry. A Jaguar man for years, I'll never forget when he got a new car and when asked why not another Jaguar he exclaimed "this thing practically can drive itself, and I'm blind". One of the best seats at a holiday meal was next to Uncle Bobby, where he was always sure to tell stories of how his sisters used him as "the ball" when playing catch. I've kept a photo of Uncle Bobby, Aunt Mary, and myself sitting around the table at Thanksgiving on my desk, and for years I cant help but smile every time I look at it thinking of the memories.

*The world truly lost a great man, and heaven gained an angel.
Rest in Peace.*

*All our love,
Joe and Angelica*
