*Knowing Bobby was our good fortune. We did not see him often, but when we did it was pure joy. He was such a loving , considerate man who could light up a room with his incredible wit.

“ My dear friend Robert will be so greatly missed by me and my entire family. Robert and I go way back to our High School days at Bishop Ford in Brooklyn. We have been life long friends for 48 years. We have shared many stories and good times. He was more than a friend, he was like my brother. There are not enough words that I can properly articulate the deep affection and love I have for him. I thank you Robert for sharing your life with me. Though you have left so many of us with a broken heart, I know that you are at peace, not because you have rid yourself of the physical pains that you were experiencing, but because you are now with your parents, grandparents, aunts and uncles and cousins Richie and Debbie. I look forward to the day we meet again in heaven.

*your loving friend and brother

“ Our dear cousin will be so greatly missed. He took on all his health challenges like a true rockstar. He had a smile, and a funny story for every event. He loved his life. We all loved being a part of his craziness. May he Rest In Peace. Until we meet again. He will forever be in our hearts. The Pluy Family

Listening to the music of Billy Joel (one of Bobby's favorite artists) yesterday, put a smile on my face as so many happy memories of Bobby came flooding back. His sense of humor and huge heart were boundless, and I never remember laughing so much as when we were in college together... happy kids, enjoying and supporting each other as we were beginning our journey. And that continued throughout his entire life. Bobby touched so many of us, and our lives were all the richer for it. Thank you, dear friend, for being a part of my life. I'll miss you greatly. I love you, Teressa

Bobby was truly one of a kind. The best person to share stories and "belly" laughs with. You know the ones that make you cry. I will miss him so much.
