“ *Much love to all the Mutones. Kirsten, Campbell, Cole, Caroline and I feel very fortunate and blessed to have all of you in our lives. We are a reflection of our parents - their influence, love, strength, compassion, leadership, toughness, humor and they too are a reflection of their own parents. I did not know Mr. Mutone well, but recognize and am grateful for the lessons and guidance he gave to his kids. And, of course, his handprints are on his grandchildren as well. He's left behind a tremendous legacy and can celebrate a life well lived. We will all keep him in our thoughts and prayers and are here for any help or support. Much love, The Johnsons*
