“ *I never personally met Bobby, but was very close to his grandmother, Anna. Bobby was very special to her, as was his sister, Jenny. She spoke of Bobby often (and Sparky, too), and over years, many times I would hear Bobby in the background as Anna and I would speak on the Phone. I am so saddened at the loss of Bobby and I wish his family, especially his father and Jenny, continued peace and God's grace. I know that his grandmother is watching over him and they are both comforting each other in heaven.*

“ While I never met young Robert, I do know and work with his father, Rober Sr. Robert Sr. Is a wonderful father who tried hard to guide his children in the right direction, who sacrificed time away from home to be at work to provide. We spoke many times at length about things and I felt for him then and especially now in this very trying time. As a father myself I feel for the entire Peduto family. May you all comfort each other and may Robert Jr find everlasting peace.

“ RIP Bobby, you were such an incredible young man with a heart of gold and a million dollar smile. Heaven called home another young Angel. It was an honor to have had you in my life, even for such a short time. I'll pray the Angels will protect and embrace you kid. Our hearts and prayers go out to your father & sister, may God give them extra strength and love to carry on.

“ bobby was a good kid, I remember our English class with Mr. Verdi in tottenville highschool, Bobby would let me jailbreak his iPod and use it all class long everyday and he even offered to let me borrow it for a few days whenever I wanted , he was a funny kid, we lost touch, wound up going to Apex Tech in Queens NY and stayed cool together in there, after that we lost touch but I still saw him around the island and we always took a few minutes to catch up, even tho he wasn't that close to me, it's a shame a fellow peer of mine is not with us anymore. much respect and love to his family and friends, be strong bobby would of wanted it
