“ *Bob...you became such an important part of our family and our hearts are filled with sadness that you are no longer with us. The only comfort we have is that you are now at peace and no longer suffering. There were so many good times we all shared over the years and now they will be forever missed because of your absence. We will love you always, forget you never, and think of you everyday.*

*Love,
Lori, Rob and Gianna*
