“ *I was very sorry to hear the sad news. Bob worked for me for a few months when I was Chief Compliance Officer of a broker-dealer in 2010. I will always remember him as a consummate professional and a genuinely nice man who always remained calm and cheerful, under circumstances which were often quite trying. Please accept my condolences.*

“ Proud to say our almost 50 years of friendship has endured. You are more a brother to me than a friend. I know how first hand how proud you of your family and how much love you have for them. I know you are in a better place watching over all of us. You are leaving a big void in all of our life's but I know some day we will meet again.
