“ *I just wanted to say thank you Aunt Bertie for being so good to me and my dad. You were such a kind, selfless, loving person and would give the shirt off your back to anyone in need if you had to. You had a heart of gold and I will miss you terribly. I will always remember our trips to atlantic city and how I won the 2 grand playing the slot machines when I turned 21. Just looking at your face that day was priceless. I'll never forget the borgata buffet and the gelatos. We always had to get our gelatos every time we went. That was our tradition. I am forever grateful for those memories. Now you will be with my dad and Pop. Hopefully you can rest in peace now. I love you aunt bertie.*
