“ *God bless you. We had some good times during the holidays playing games and sharing stories. You will be missed. You are now at peace. Watch over your buddies cc and diesel. They liked you. They are not fond of other people and the warmed to you so quick. Proves you are special. Nicole Caturano*

“ I know the last few years weren't perfect between us, but my biggest memory is when you took me, literally by the hand- to meet my commodities and LIFE mentor, Jim Moen. And, the Carvel trips every night in George's 71' Camaro. God speed Uncle Ron- see you on the other side my friend.

Your nephew and fellow commodities broker,  
Chris
