“ I grew up with Ronnie as first cousins and living in different apartments but the same house we grew up close. Whenever I would get into trouble with other kids on the block he was there to fight my battles and protect me.  
As we got older we would double date and laugh later about the girls we took out.  
He put up alot with me as I was always inventing something and being polite  
would listen on as I carried on how I was going to sell my inventions and make us all rich.  
Later on as we grew apart me with my family he was always warm and loving to my children and also to his Nieces and Nephews.  
He will always be a part of my life now and forever as I loved him as I loved my own brother.  
I hope that God holds a seat near him for me as I would like to be near him once more.  
Cousin Mikey
