“ *I have so many wonderful memories of my dear Aunt Rosalie starting from when I was very young. She and her then-boyfriend, my Uncle Pete, would babysit me, my sister, and brother. They showed up on his motorcycle! My sister and I were flower girls at their wedding. As a teenager, I spent a week of my summer vacation with them in their Brooklyn apartment. They took me to Coney Island to see the fireworks and to Lundy's in Sheepshead Bay for clams. Their move to Copague brought our families closer together with lots of shared dinners and boating adventures. They would do anything for us.*

My Aunt was as sweet and kind as anyone could be, with a big loving heart, never critical, always forgiving. She and my mom were the last two of nine siblings. They commiserated and comforted each other in their last years. She deserves eternal rest. She earned it.

“ *So sorry to hear about Rosalie. I have fond memories of having
wonderful dinners with Al and your mom and dad. I enjoyed having
all the sisters together too. I especially remember when the sister
got together and drank a full bottle of peach brandy. In fact they are
all probably together sharing a bottle now. May she rest in peace.*

“ One of my favorite memories of Rosalie is how she would sit around the dining room table with us girls on a Saturday morning listening to all our stories about our escapades from the previous night. She enjoyed this so much. Also she was an amazing pizza maker. She will be greatly missed. . Rest peacefully Rosalie 🙏

“ Remembering Rosalie and her wonderful and kind ways. Always making you feel at home and doing all she possibly can to make you feel that way. Who can forget her famous pizza that came so close to “the Spumoni garden” you’d think you were sitting at L&B waiting for the next slice. The laughs, the luncheons, the days on the boat and the late nights in the Brooklyn house. Thank you Roe for them all. You will surely be missed but for now Rest well and in peace in Gods arms. With much love. Jeanie and Babe and family xoxo

“ *Rosalie. I will always remember your welcoming us girls into your home on Long Island and Brooklyn and the many many sleep overs. You made the best pizza and made for us girls whenever we were over. It was a home away from home for us girls. You were warm, gentle and loving with a heart of gold and will hold those memories close at heart. Rest peacefully.*
