“ I met Mary, Rosaria and Tom when I was just a little girl in pre-school. My mom, Miss Rose became friends with Rosaria. Mary and I were always together growing up. I have beautiful memories with Rosaria, her sweet and loving presence and all she did for me as a kid.

As children, growing up in NYC, I didn't know much about nature. Rosaria would pack Mary and I lunch and take us for long nature walks and talks in the trails behind her house. I loved our nature walks because they were pure wholesome fun.

During the holidays, Rosaria would take us Christmas caroling. At first, I'd be nervous to knock on a door but once we got the hang of it, we had a blast and lots of silly laughs..these memories I will never forget. She hosted Halloween parties, birthday parties, talent shows. I was always at her house doing something fun, creative, and wholesome.

Rosaria also formed a Rosary Cell for us young girls. Once a week, a group of us met at her house and said the Rosary out loud. I remember being nervous to speak in front of the girls, but it got me comfortable with speaking up and facing my fears. I am so grateful for all the experiences she gave me as a kid growing up in Staten Island.

Her house was the only house I went to besides my own house. She always had delicious food, but most important there was a genuine love and peace in her home I didn't quite feel anywhere else. I am so grateful for the Incantalupo's. I wish you love, peace and comfort during this time.

Much Love to you all, Michele

“ Your daily devotion to Jesus, Mary, and Joseph was exemplary and will fondly be remembered. Your writings have been kept, shared and remain an inspiration. We know choirs of angels welcomed you to your forever home and Our Lord was waiting with His arms outstretched. We will miss hearing your voice and constant concern for us and our family. Rest peacefully now, our dear friend. Love and Prayers Theresa and Peter Saksa and family.

“ From the moment I met Rosaria at the South Shore YMCA preschool program where our daughters attended, I knew God had his hand in this encounter. During the nursery school years our daughters, Andrea and Mary Therese, as well as Rosaria and I socialized and enjoyed one another’s company tremendously. She was the sweetest, most soft-spoken, and caring friend I had ever met. We spent much time together as our families socialized both at one another’s homes and on a memorable vacation to a dude ranch upstate New York called Shapanack. This vacation would be our reference throughout our years and we always laughed about our experiences there. Through the years it was evident what devout parishioners Rosaria and Tom were in the Holy Child community. I felt like I was in heaven when I entered their home. Rosaria opened her home to friends and their children for prayer group meetings and for the “Love One Another” Rosary cell held in her back yard for children and their mothers . She always participated in acts of faith and kindness which inspired so many friends. Rosaria was only a phone call away, she always highlighted her faith in Jesus, Mary and Joseph. She truly left an indelible mark on so many people’s hearts that she touched. I will miss her with all my heart. I will miss her ending every conversation we had with the words, “I love you!” Rest in peace dear Rosaria until we are reunited once again. I love you!!!
